

Charnwood Triathlon – May 23rd 2010

Charnwood Triathlon was the second event of the East Midland Series, taking place, as usual, at Burleigh College Loughborough.

Not only did we have five first, six second and two third places from the club, the forty six 4life juniors taking part broke all records – having the most juniors ever entered in a junior event!

There were also ten first timers competing - Alice Gingell, Freya White, Emily Whitfield, Xavi Salcedo and Dexter Lacey (Tristar), Ailsa McClean and Emily Balmbra (Tristar1), Hannah Grinham, Finn Magee, Joseph Tuffin and Stephen Guerin (Tristar2). Xavi even succeeded in winning his race!

The hot day enabled spectators to enjoy sitting relaxing outside, cheering on the competitors. Whilst some of the competitors (once they had finished) stroked and petted the '4life dogs' that had also been brought along; others enjoyed playing with footballs and toy rockets.

The 5 winners were Xavi Salcedo, Rosanna Barraclough, Tom Dussek, Nicole Goulding and Sophie Coldwell. All of their points (a maximum 5000!) will be added together for the Inter-Club Junior Competition, ensuring 4life extend their lead! .

Although many admitted the race was tough everyone enjoyed themselves. One parent even mentioned that the course was the toughest of all the junior races and the others would be easier.

Thanks to all the parents and families of the competitors, also Dean, Sam and others that came to support. Well done to everyone who raced ☺ ☺ ☺ ☺
