## Market Bosworth Aquathlon – 2009

A Thursday evening, not as warm as we had hoped for, awaited 13 4Life Juniors as they arrived at Market Bosworth Water Park for the first East Midlands open water event of the year. Many of the athletes were competing in their first open water event.

Ellie White and Tom Dussek kicked off the event for 4Life in the TS1 Category, with Ellie crossing the line second and Tom third. There were several competitors in TS2: Hannah Clay (2<sup>nd</sup>), Rebekah Dussek, Nick Hobbs, Olivia Matthias (3<sup>rd</sup>) and James Whitefield (1<sup>st</sup>). Sophie Coldwell yet again dominated the TS3 girls winning another 1<sup>st</sup> place trophy, with Ellen Hobbs not far behind.

Grace Hobbs led all the youths (male and female) out of transition after a super-quick wetsuit removal to end up winning the girls race. Sam Parker led out of the water and finished 3<sup>rd</sup> overall, followed by Sam Wass and Charlie Howick.
