

4Life Tri Club

Triathlon in South Nottinghamshire

Charnwood Triathlon – May 2009

The first children's triathlon in the East Midlands Regional series took place at Burleigh College on Sunday 10th May. A sunny day, and pleasant racing conditions were appreciated by all athletes, and many 4life juniors took part, ranging from experienced triathletes to first timers.

A special mention should go to Vincent Machin, Emma Cartwright, Sophie Beckingham, Will and Sam Barker, Robert and Joanna Towndrow and Stephanie Cobb who were all taking part in their first ever triathlon. They did fantastically well (plenty of smiles throughout) with Vincent even coming 1st in Tristar!

There were several other podium finishers throughout the day: James Whitfield and Tom Dussek both finished 1st in Tristar2 and Tristar1 respectively and Olivia Wallace and Robert Towndrow both came 2nd in Tristar1, with Ellie White finishing 3rd. Liam Doyle was placed 2nd in the Youth category.

We all enjoyed ourselves - both racing and playing football...
